WHAT

are youth centres like?

- Spaces designed for youth work
- Great opportunities for exercising, adventures, crafts, and outdoor activities in natural surroundings
- Premises are close to nature, with full board and lodging
- From small functions to large events for hundreds of people
- Safe, goal-oriented and quality operating environment
- The centres' group process and youth work skills are also utilised in own-initiative events

A young boy with dark hair, wearing a dark blue zip-up jacket, is shown in profile from the chest up. He is holding a wooden bow in his right hand and an arrow in his left, aiming towards the right. His expression is focused. The background is a plain, light-colored wall.
